# memorandum

DATE: January 19, 1983

REPLY TO ATTN OF: Pat Butenis, Vice Consul
Consular Section

SUBJECT: John J. Sullivan

TO: Fernando Sanchez, Consul

This morning Cristina Acosta spoke with Dr. Francisco Rafael Guerrero, Juez Segundo de la. Instancia, de Santa Tecla (28-02-35) regarding the whereabouts of the Nuevo Cuscatlan remains. Dr. Guerrero said that his office knows where the remains are and that they would need a request from the Ministry of Foreign Relations before anything, including disinterment, could be arranged.

Dr. Guerrero seems reluctant to tell Cristina on the phone exactly where the remains are buried. I suggest that you contact Dr. Guerrero and introduce yourself to him and in talking to you he might be willing to tell you where the remains are buried.
